County Park Improvement Program Laid

Two Bathing Beaches Are Ordered Built By Camp Workers

Two bathing beaches will be built by dams in the San Mateo County Memorial Park in time for the summer season when the park facilities are in greatest demand.

Charles Ely, assistant caretaker at the park, was directed by members of the county recreation commission, who made an inspection tour of the park yesterday, to commence work immediately.

Workmen from the state labor camp at the park will be used.

Hitherto bathers have had to slide down mud banks along Pescadero creek in order to get into the water. The beaches will provide a place for spectators and for sun bathing.

In addition, Ely was ordered to start clearing an automobile parking area and an area for a future administration building for the park.

Camp Sites Studied

Sites for public camp areas were studied by members of the commission. Plans are now in the course of preparation for a suspension foot bridge across the creek.

Other items on the proposed construction program for the park are fire places for picnic areas, fence along main county road through the park, low railings to keep cars out of picnic areas, small nursery to propogate trees and shrubs for replanting in the park.

Schedule Increased

Beginning March 16, the work schedule of the 90 CWA workers in the Memorial Park camp and Islam Shrine camp will be increased from 15 hours weekly to 24 hours, Stuart Moir, director of the CWA system of single mens' camps scattered throughout the state, reported today.

In making this announcement, Moir pointed out that the new ruling will greatly increase the effectiveness of the camp program and will at the same time simplify the problem of camp administration.

Bert Werder, county fire warden and superintendent in charge of both camps, reports continued progress in fire protection work. Under his direction the men from the county park camp have in recent weeks built a motorized fire road 10 feet wide along the water canyon adjoining Memorial Park.

The total project is three miles long, two miles of which have already been completed. The men have also constructed two miles of fire break varying in width from 150 feet to 300 feet.

Fire Protection Given

Completion of these two projects will give fire protection to the park and its water supply as well as to week-end subdivisions in this territory.

Reports indicate that similar progress is being made by the men in Islam Shrine camp. This group is working on a road starting at Alpine Junction and leading west into Pescadero canyon. To date three miles have been constructed and the land brushed and fire-proofed for a distance of 300 feet on each side of the road.

The morale of the men is excellent, according to Warden Werder. "You couldn't drive them from the camp," he said. "They are satisfied in every way with their conditions and have come to look upon the camp almost as a home."

Coast Farmers To Be Protected From Agitators

Curb of the activities of agitators in the coastside pea fields, which resulted in several summons for police protection in recent months, will be undertaken by the board of supervisors in an ordinance which County Executive Walter Kellogg will have drawn.

The matter was brought to the board's attention by George F. Dunn, Half Moon Bay publisher, and would follow the plan outlined in Santa Clara county.

By the ordinance it will be made unlawful to set up a camp area of one acre, housing 10 persons or more or two or more families, unless a permit is secured from the supervisors beforehand.

Ranchers wishing to allow workers to establish camps on their land must also secure permission.

The Santa Clara board also forbade parades or public meetings on public highways.

HIGHLIGHTS OF REPORT ON CITY WATER SYSTEM

Highlights of an interesting report on Redwood City's water system, prepared by City Manager E. A. Rolison are as follows:

—Redwood City has invested $103,000 in bonds for its municipal water supply and distribution system.

—Of these bonds, $65,600 worth have been retired, leaving an unpaid balance of $37,400.

—The book value of the physical property of the water department is $537,629.80. Deducting the outstanding bonds, the city's profit has been $500,229.80.

—The city has acquired the Emerald Lake water system, appraised at $51,552.21, for $4,882.30.

—Total water sales and revenues for the year ending June 30, 1933, were $81,714.26. Total operating expenses were $48,218.71. Net operating revenues were $33,495.47.

—Water rates have been cut from 10 to 20 per cent.

—Capital expenditures during this period included the construction of a new concrete reservoir of a capacity of 3,800,000 gallons, together with the installation of cast iron distribution mains, the development of two new wells and other improvements which represented an expenditure of $43,162.73.

CLEARY OUSTER ASKED BY HEALTH DIRECTOR

Resignation of Dr. E. W. Cleary, 205 Park road, Burlingame, as a member of the San Mateo County Board of Health was demanded today by Dr. Harold E. Morrison, San Mateo county public health director, at a meeting of the board in the Mills Memorial Hospital, San Mateo, today.

Dr. Harper Peddicord, chairman of the board, said he did not think the matter properly belonged before that body, and it was not considered.

Dr. Morrison immediately carried the matter to County Executive Walter Kellogg with the request that he remove Dr. Cleary.

The health officer informed Kellogg that "Dr. Cleary renewed his active opposition to the director and his entire program" and declared it is evident that the board of health and welfare cannot function usefully as long as Dr. Cleary is its most active member."

"I trust," Dr. Morrison wrote Kellogg, "that you will be able to secure this resignation immediately, as the longer the matter is allowed to drag the more unpleasantness there will be."

Dr. Morrison first asked for Dr. Cleary's ouster on January 15, citing reasons to Kellogg why he believed Dr. Cleary was disqualified.

Among the reasons given is that Dr. Cleary receives $2,300 per year as an orthopedist for work done in connection with state care of crippled children at the Community Hospital.

Dr. Morrison says Dr. Cleary's name does not appear on the Community Hospital budget, but the item appears in the social service budget.

Dr. Cleary repeated before the board this morning that he had sought to remove Dr. Morrison from the health director's post, and "had not changed his mind about the matter," according to Dr. Morrison.

The situation has developed to the place where he will no longer have anything to do with the health board, Dr. Morrison said, until Dr. Cleary is removed.

PASTOR SAYS DOG TRACK OFFER IS PUBLIC 'BRIBE'

Basing his sermon on the query, "Does the Dog Track Seek to Bribe the People?" the Rev. Norman W. Pendleton of the First Congregational Church, in a "pulpit editorial" Sunday urged that the board of supervisors reject "with scorn" the proposed relief fund contribution of 10 cents per head on admissions. He said:

"An important issue is pressing upon the people of San Mateo county. Some of our public officials in loyalty to their sworn duty have courageously declared their purpose to protect legitimate business from the drain of those 'open air gambling dens' called dog tracks.

"The operators of one of these gambling dens,' evidently seeking to go over the heads of our officials, turn to the people and offer citizens of our county 10 cents a head for charity.

"As much as tao say, 'Allow us to drain the 'poor saps' of hundreds of thousands of dollars and we will liberally hand you 10 cents a head!'

"What is this: An attempt to bribe the citizens of San Mateo county?

"Our supervisors should reject the offer with scorn!"

County Boycott Threatens Milk Deliveries From S. F.

San Mateo county will take no retaliatory steps against San Francisco for its refusal to lift the 20-year-old ban on peninsula-pasteurized milk, but will immediately improve its dairy inspection service to meet San Francisco standards, the board of supervisors had determined today.

Then, if San Francisco continues in its refusal to recognize San Mateo county inspection as adequate, bars will be raised against the free access of metropolitan dairies.

John J. Garland, San Mateo county milk inspector, appeared before the board to protest the unfavorable publicity which the San Francisco papers had given to the San Mateo county milk situation. He declared emphatically that San Mateo county milk is just as pure as any that is distributed in San Francisco.

Milk Rated Highly

Garland cited the fact that in the eyes of the state board of health the peninsula milk was rated just as high as San Francisco's and that San Mateo county has unrestricted use of the grade A label. He said the peninsula product had achieved a score in recent tests of 96 per cent pure, a record better than that recorded in neighboring bay counties.

Dr. Harold Morrison, San Mateo county health officer, informed the board that he had already taken the first steps toward improving the milk inspection service. He said he planned to move the laboratory from Redwood City to the Community Hospital, and to hire an additional inspector for about three months' work to assist in the inspection.

Supervisor John Poole, Redwood City, said he believed San Francisco would not take the peninsula product under any conditions, and that when this is shown to be the case, San Mateo should "lock its door" to the San Franciso dairies, too.

Jack Reuter, of Redwood City, spoke in similar vein.

Garland charged that San Francisco was "unethical and unfair" in its inspection of San Mateo dairies in deciding against permitting peninsula-pasteurized milk. He declared some of the smallest dairies were visited, particularly on the coastside, and the decision was based on what was found there. Larger dairies and pasteurizing plants in the county had only the finest equipment, he said.

Supervisor Albert Witt, Colma, who is himself a dairyman, said he realized that it was hard for Garland to enforce all the rigid restrictions on the smaller dairy. He urged Dr. Morrison to put the San Mateo county inspection service "on a par with any."

LIGHT PLAN DEFERRED

Because of reports that opposition has developed to the plan, the petition for the formation of the Woodside Road Lighting District was under continuance of the board of supervisors again today.

Swart Laughs At Statement He Will Quit

Says He Has No Plan To Regain Former Post as D. A.

Reports that Superior Judge Franklin Swart would resign as superior judge and seek re-election as district attorney, an office which he held for 20 years, so that he could personally direct the fight against the dog tracks, were laughed off by the jurist today.

Along with the report were circulated rumors that the dog track and horse track men had joined for a "fight to the finish" against efforts to halt alleged gambling activities at the dog tracks, and that Col. Charles N. Kirkbride of San Mateo would seek Judge Swart's post.

Judge Swart confined himself to the statement that the district attorney, sheriff and grand jury were prepared to "do their duty" and that he would "keep out of it."

Baden Kennel Club precipitated the rumors with the announcement that it would reopen March 15.

Should dog racing be resumed in Santa Clara county every effort will be made by law enforcement officials to secure evidence for prosecution of promoters under the state's gambling act.

District Attorney Fred L. Thomas, commenting on the possible resumption of dog racing in San Mateo county, yesterday announced that he has already enlisted the cooperation of Sheriff William J. Emig and his deputies to secure evidence on gambling if racing should be resumed there.

Attorney Dies In Auto-Truck Crash on Span

Sidney C. Bennett, 41, Of Stockton, Victim; Wife Also Hurt

Sidney C. Bennett, 41, prominent Stockton attorney, of 822 North Edison street, was killed instantly on Monday in an automobile-truck crash on the San Mateo-Hayward bridge.

Bennett's wife, Emilie, 32, suffered severe head and body injuries and was reported in a critical condition at the Mills Memorial Hospital at San Mateo.

Ernest Lachman, 31, also of the Stockton street address, who was riding with the Bennetts, escaped with cuts and bruises.

Marshall Melch, 301 F street, Imperial, and Thomas Oliver, who was riding with him on the truck, were not injured.

Bennet was driving his coupe east and Belch driving his truck west, according to the police. The accident occurred just west of the draw span.

Lachmann was thrown clear of the car, and the truck completely sheered off the left side of the coupe, taking Bennett with it.

'Ad' Contest Won By Mrs. Carmichael

The Exposition of Advertised Products held in Redwood City during the last three weeks was brought to a close today with many fine entries.

IN OUTDOOR ROMANCE

Fred Kohler, Barbara Fritchie and Randolph Scott, featured with Monte Blue, in "The Last Roundup," outdoor romance, based on Zane Grey's story, "The Border Legion," playing at the Fox Sequoia Theatre tonight and Saturday. "Easy to Love," with Adolphe Menjou and Genevieve Tobin, is the second feature to be screened at the Sequoia on this program.

Yacht of Tobin Puts in Safely At Monterey Bay

Fears for the safety of the group of prominent peninsula persons aboard Cyril Tobin's yacht Sartartia were dispelled with the news that the craft put in at Monterey late yesterday after spending Sunday night outside the Golen Gate waiting for a heavy fog to lift.

The Sartartia left San Francisco Sunday noon for an afternoon cruise, but a heavy blanket of fog obscured the Golden Gate upon their return.

Former Athlete Elopes to Reno With Classmate

Two Sequoia Union High School graduates are back in Redwood City today as Mr. and Mrs. John D. Hosford following an elopement by airplane to Reno Saturday.

The bridegroom, a son of the late Mr. and Mrs. A. A. Hosford of Woodside, was an outstanding football player at Sequoia prior to his graduation in 1928. He later attended the University of Santa Clara.

Mrs. Hosford, the former Margaret Richter, is a daughter of Mr. and Mrs. Ernest Richter of San Carlos. She was also graduated from the local high school in 1928. They will reside at 150 Duane street.

Accompanying the elopers to Reno was Tom Shine, well known Redwood City athlete and Woodside resident, who was a classmate of the couple in high school.

Reno was also chosen by another former Sequoia athlete and his bride as the scene of their wedding Saturday, when Francis Britschgi of Redwood City and Katherine Neilson of Menlo Park were married.

Britschgi, one of the line stars of the 1928 eleven on which Hosford played, continued his gridiron career at the California Agricultural College at Davis before graduating in 1930. He is in the dairy business here with his father, Joseph Britschgi. His bride is also a former Sequoia student.

Woman Faces Trial For Drunk Driving

Mrs. Louise Vandervoort, arrested two weeks ago under the name of "Louise Jones" on a charge of drunken driving following an accident in which her machine allegedly crashed into a line of parked cars on Broadway, will face trial in superior court here at 10 a. m. March 22.

She entered a plea of not guilty yesterday afternoon and requested trial by jury.

Time of pleading of William A. Cardiff, accused on a Redwood City check charge, was continued until tomorrow morning.

Culvert Wins CWA Funds; Work Nears

$32,892.72 Is Voted For Elimination Of Hazard

Approval of the Woodside road culvert project under the civil works administration program was given today by Capt. Edward Macauley, federal CWA administrator for California, it was reported from the San Francisco office.

The sum of $32,892.72 of CWA funds was voted toward the project.

Chief Engineer Frank W. Hibbs reports that 231 men will find employment under three projects approved today, 205 of which are expected to be used on the Woodside culvert construction.

Hope of securing CWA funds had been considerably dimmed during the past week, and the City of Redwood City had decided to go ahead with the project as far as possible, doing the job piece-meal with unemployed labor.

The San Mateo county supervisors last Monday voted $2,150 toward the project, but held up payment of the money until $2,000 is expended on Brisbane streets. The balance of $2,150 had been voted toward the project by the city, bringing the cost to $4,300 for the city and county, and $32,892.72 of CWA funds.

Work is now expected to begin shortly on the long-deferred improvement. The proposal is to construct a culvert in the ditch on the easterly side of the Woodside road, and to provide a wider, safer thoroughfare.

The improvement also will provide a sidewalk so that school children and teachers using the Woodside road to and from the Washington School will be safeguarded.

Other projects approved by the CWA included $1,786.11 for enlarging and making safe the stage of the San Mateo Junior College auditorium, and improving and adding to school buildings in Beresford and San Mateo."

Heir May Halt McDonald Fight, Reunite Couple

The possibility of a reconciliation between young James McDonald III, Hillsborough social figure and heir to a vast Standard Oil fortune, and his wife, Mrs. Alecia McDonald, 18, of San Mateo, was seen today with the birth of a daughter to them. The baby was born in a peninsula hospital Saturday night.

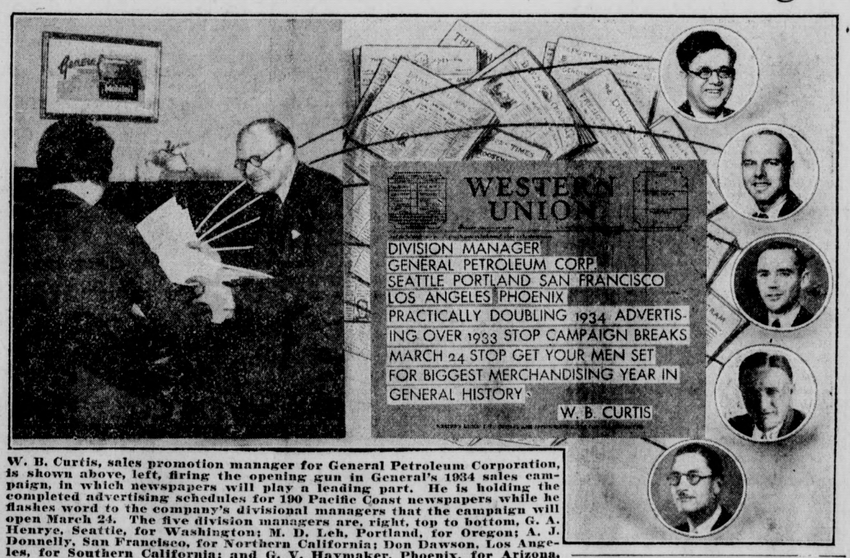
Mrs. McDonald is seeking support for herself and baby, while McDonald, on the ground that he eloped without his mother's consent, is seeking an annulment.

Maj. James McDonald II, of Boise, Ida., is reported to have congratulated his daughter-in-law on making him a grandfather at 43. Mrs. Beulah Martin of Burlingame, mother of young McDonald, may become reconciled with her daughter-in-law, it was also reported.

Mrs. McDonald III is the former Alecia Brezee. She is the daughter of Mrs. M. A. Brezee of Berkeley and a lineal descendant of French nobility which fled to this country during the revolution of 1789.

The couple met in 1932 when Mrs. McDonald was attending high school in Stockton and McDonald was a freshman at the College of Pacific. They eloped to Elko, Nev., and were married on June 7 of the same year.

General Petroleum Doubles Advertising



W. B. Curtis, sales promotion manager for General Petroleum Corporation, is shown above, left, firing the opening gun in General's 1934 sales campaign, in which newspapers will play a leading part. He is holding the completed advertising schedules for 190 Pacific Coast newspapers while he flashes word to the company's divisional managers that the campaign will open March 24. The five division managers are, right, top to bottom, G. A. Henrye, Seattle, for Washington; M. D. Leh, Portland, for Oregon; A. J. Donnelly, San Francisco, for Northern California; Don Dawson, Los Angeles, for Southern California; and G. V. Haymaker, Phoenix, for Arizona.

Company Shows Faith in Power of Press; Action Follows Peak Sales Record Made Last Year

Attributing much of its unequalled marketing success in 1933 to the power of newspaper advertising, General Petroleum Corporation will practically double its newspaper space appropriation for its 1934 sales campaign, which gets under way Saturday, March 24, according to an announcement made today by W. B. Curtis, sales promotion manager for the company.

Advising them to "get set for our biggest selling year," Curtis flashed word to this effect yesterday to the company's divisional managers in Washington, Oregon, northern and southern California and Arizona. Curtis also notified General's divisional heads that, starting the 24th, the company's advertising will break simultaneously in 190 newspapers on the Pacific Coast in one of the most comprehensive sales campaigns of the company's history. Word has been abroad for some time that General intends to introduce an entirely new gasoline this spring, but details regarding the product have not yet been made public. It is known, however, that every effort will be made to better last year's record, when public acceptance of General gasoline was so phenomenal that the company made a greater increase in taxable gallonage than any other major distributor on the Pacific Coast.

Leads Competitors

In a statement accompanying notification that the campaign is about to be released, Curtis said:

"Last year was not noted for a high degree of prosperity or for heavy buying; yet, in spite of that fact and the additional fact that only three of the major gasoline distributors on the Pacific Coast showed gallonage increases in 1933 as compared with 1932, General Petroleum topped the three by better than a four-to-one gain. We attribute much of the credit for this phenomenal showing to the selling power of newspapers, and it is for this reason that newspapers will again carry the major burden of this year's campaign."

Quotes Figures

Curtis also pointed out that while last year's sales increase was the largest in any single year since the company entered the retail marketing field on the Pacific Coast in 1926, yet every year since its founding General has shown a steady growth in total business done and in popular favor. Consistently aggressive merchandising, supported always by a gasoline scientifically the best possible to produce, was responsible for this, he declared. In actual figures, compiled by the California Oil and Gas Association, consumer acceptance of General gasoline last year boosted its taxable gallonage output by 19.34 per cent over 1932, in spite of the fact that during this period the total taxable gasoline gallonage sold by all companies in California, Oregon, Washington, Nevada and Arizona, the territory served by General Petroleum, declined 1.88 per cent.

For the past three weeks Curtis has been visiting the principal cities of the Pacific Coast conducting company sales meetings. He reports that the degree of enthusiasm over the prospects for 1934 manifested by General's dealers and salesmen everywhere exceeds anything in recent years.

Mishaps Among County Employes Show Increase

Because of the rapid increase in injuries to county employes, adoption of a three-point safety program was urged today in a communication to Dr. C. V. Thompson, chairman of the board of supervisors, from L. E. Palmer, supervising safety engineer of the state compensation insurance fund.

Although San Mateo county at present has a 32 per cent reduction below the average compensation insurance rate, Palmer points out that injuries to county employes have increased by "leaps and bounds" particularly during the period of July 1, 1933, to February 9, 1934, when 145 employes were injured, one fatally.

The program urged by the safety engineer is as follows:

1. That all departments when reporting claims to the fund should send an extra copy of the report to a person designated by the supervisors to collect this injury data for them. James S. James, county engineer, is suggested for this duty.

2. That James' office should brief this data and submit it monthly to the supervisors so that the board will be familiar with the county's accident experience.

3. That the safety engineers of the insurance fund will supply the technical information necessary to the success of a safety campaign.

Palmer expresses the belief that inauguration of this program would bring a reduction in injuries.

BACK TO CAREER

Looking rested—and pleasant, as when doesn't she?—Myrna Loy, film actress, is pictured here upon her return to Los Angeles from a month's "hide-away" vacation in Hawaii.

Burlingame Divided Over Park Proposal

BURLINGAME, Mar. 13.—Developments today in the proposal that the city lease land from the Mills estate for use as a city park included a favorable endorsement from the local branch of the American Association of University Women and reversal of Mayor C. A. Buck's opinion in the matter.

Mayor Buck said today he is not in favor of the plan, but took an opposite stand a week ago. The Good Government League was circulating a petition opposing the lease plan on the grounds of excessive rental charge and no assurance of a reasonable purchase price at the termination of the lease.

$1,000 Appropriated Toward Serra Link

One thousand dollars toward right of way purchases on the Junipero Serra boulevard had been voted today by the board of supervisors at the request of Supervisor Albert Witt, Colma, director of the district.

Hit-Runner Crashes Six Bayshore Autos

Believed by police to have been driven by an intoxicated person, a large green coupe got out of control on the Bayshore highway south of the San Francisco city limits Sunday overturning one automobile and sideswiping five others before it disappeared in crowded traffic.

A. E. Skalko, 20 Sterling street, San Francisco, suffered minor injuries when his car overturned after being struck by the hit-runner.

Boy Struck By Auto Not Seriously Hurt

Noel Koman, McKinley Grammar school student residing in Dumbarton Park, is recovering from minor injuries incurred late Monday when he was struck by an automobile driven by Mrs. Lillian Foley, 29 Clinton street, on El Camino Real between Harrison and James streets. The youth said he missed his bus and was crossing the highway after waiting for one car to pass, but did not see the second one.

"Kitchen Companions"
the first act on the Spring Program

WHO is usually the last one to come to the table? Isn't it Mother, with the gravy bowl and mashed potatoes? She sits down fagged out, almost too tired to eat, particularly in hot weather. It is all too true unless there is an electric range in the kitchen.

Then afterward there is the task of dirty dishes to be done with pots and pans to be scoured. Here too, unless hot water is automatically on tap there is the heavy tea kettle to be lifted from stove to sink. No wonder a woman's health breaks down.

In hundreds of homes this month Mother is getting the kitchen aids she has always wanted to make her housework quicker and easier. These hundreds of kitchens are being modernized with a new electric range and electric water heater—kitchen companions now being offered at lower prices and exceptionally easy purchase terms.

Operating costs of these kitchen companions have been cut due to the new low electric rate of one cent per kilowatt hour. You will be enthusiastic when you hear all the details. Your electric dealer or any office of this company can give you the facts. See them today.

The new low rate for cooking and water heating with a low block of one cent per kilowatt hour represents one of the lowest electric rates in America. Electricity gives you the most for every penny's worth you buy.

ISLAND SLUMS SHOCK FIRST LADY

Conditions in Puerto Rico brought a shock to Mrs. Franklin D. Roosevelt as the wife of the President walked through the slum district of San Juan and talked with the poverty-stricken people there. She expressed the hope that a plan to end the slum menace could be worked out and added that Gov. Gen. Blanton Winship, with whom she is shown as she arrived in Puerto Rico, had ordered a cleanup. (Associated Press Photo)

Menlo Park

Mayor W. H. Weeden attended the meeting of the Republican leaders of the county which was held at the Hotel Benjamin Franklin in San Mateo Wednesday night.

At the regular meeting of American Legion Auxiliary plans were completed for the Eighth District which will be held in Central School Auditorium Tuesday, April 24.

Mrs. Charles E. Thomas of Monterey is spending the week with her sister, Mrs. W. H. Weeden.

Mr. J. B. Gluntz and Mayor W. H. Weeden attended the banquet and business meeting of the builders and contractors of San Mateo County at Hotel Benjaminn Franklin Thursday night.

Isabelle Linquist attended and sang a group of songs at the Golden Wedding anniversary celebration of Mr. and Mrs. J. Beaner in Palo Alto Monday evening.

Grand President Irma Laird of the N. D. G. W. will pay an official visit to Menlo Park Monday, March 19, at which time Mleon Park parlor will receive he jointly with Palo Alto parlor. Officers from both parlors will hold the chairs on that night.

Menlo Park residents are looking forward with interest to the 62nd annual St. Patrick's Day frolic at 8:15 p. m.

The benefit show is one of the oldest affairs of its kind in California. This year there are 11 acts of vaudeville listed and the program includes many old-time Orpheum and Pantages stars now residing on the peninsula and in San Francisco.

Thomas Kane, former vaudevillian who has played in all the big theatres of United States and Canada, and who is now manager of the Sequoia Theatre in Redwood City, will be master of ceremonies.

The program follows:

Overture—Sharkey's orchestra.

Act. I.—Vocal selections, "A Little Town in County Down," and "In the Garden Where the Praties Grow," Raymond Tinney, tenor.

Act. II.—Tap dancing by Jane and Junior Jenkins.

Act. III.—Accordion solo by Secondo Penna.

Act. IV.—Elks' trio, Melodies of Irish Airs, Apheus McGovern, Ray Spangler and Harry Call.

Act. V.—Specialties by Charles Marshall.

Act VI.—Varieties by Tom Kane.

Act. VII.—Vocal selections by Clark Sisters, and Adrienne Clark, pianist, and Corienne Clark, violinist.

Act VIII.—Novelty whistling by Paul Laning.

Act IX.—Irish songs by Menlo Choral Club.

Act X.—Magic by Mr. Miller.

Act XI.—Variety act by O'Neill Sisters' pupils.

The frolic is a benefit affair for the Church of the Nativity of Menlo Park, of which Father Gleason is acting pastor.

Federal aid is not available for the proposed $20,000 city hall here, Mayor W. H. Weeden was informed today in a letter from Senator Hiram Johnson. A letter from Public Works Administrator Harold Ickes to the senator was enclosed.

Redwood City 30 Years Ago

W. J. Kelly of San Francisco is here on a visit to his friend, P. A. Ryan.

Hjalmar Halmquist has been chosen to take the part of "Hold-over Transit" of the immortal class of '95, in the Stanford Junior farce which will be played at the university next Friday night.

Mr. and Mrs. William Hughes will leave during the first part of next month for West Point to spend some weeks with Dr. and Mrs. Asa W. Collins. After that they contemplate a trip to their old home in Maine.

George Brace of Tulon, Ill., will soon arrive in Redwood City and will in all probability join his brother Harry in the grocery business. Mr. Brace has been in the same business in Tulon for the past three years and is thoroughly acquainted with every line of the work.

George W. Lovie has disposed of the Perry Minner property on the corner of Stambaugh and Maple streets, consisting of two lots and two dwellings, to Henry Mourot.

Burlingame's Park Is Topic of Forum

BURLINGAME, Mar. 14.—Directors of the chamber of commerce here have arranged for an open forum Friday on the proposal to lease part of the Mills estate for use as a city park. Councilman Ernest Rickard will speak in favor of the project and George Williams, builder will oppose it.

Miss Falvey Heads Democratic Women

Miss Elinor Louise Falvey, Redwood City attorney, was elected president of the Democratic Women's Club of Redwood City at its organization meeting yesterday afternoon in the Middlefield road firehouse auditorium.

Mrs. Neenah Lessemann of this city, county organizer, outlined the work of the club, and talks were given by visitors from other units of the county organization.

In addition local women present, those from out of town included Miss Mildred Foley, president of the South San Francsico club; Miss Mary A. Daly and Mrs. H. Gordon, Burlnigame; Mrs. John A. Boyd, San Carlos; Mrs. W. C. Swigert and Miss Swigert, Pescadero, and Mrs. James D. Kerr, San Mateo.

Girl Scout Gifts Reach $255 Total

Bringing Girl Scout contributions to $255.75, acknowledgements today included those to the following: Mrs. C. C. Green, Mrs. R. A. Hohberger, Harold Kniveton, Mrs. K. Kasai, Mrs. A. O'Connor, C. A. Pirie, Mrs. Stevens and Mrs. L. Tonkin.

JOSEPH CAMPBELL DIES

BURLINGAME, Mar. 14.—Joseph Campbell, 68, succumbed to a heart attack late yesterday at his home at 224 Primrose avenue while trimming a lawn.

The original derivation of the word "planet" meant "wandering."

Girl Scouts' Drive Total Reaches $247

Contributions toward the $1,500 quota of the Sequoia district Girl Scout fund reached a total of $247.25 today following receipt of donations from the following:

Mrs. Edward Allen, Mrs. S. Abrahams, Mrs. Nelson Andrews, Mrs. Charles Bendeich, Mrs. Mary Beeger, Fred Downs, Mrs. W. J. Dusel, Mrs. L. C. Edelmann, Mrs. E. Ferrando, Mrs. L. A. Heiner, C. L. Huyck, Mrs. J. P. Hahir, G. H. Hirsch, K. Inouye.

Karl Kummer, Mrs. P. Locatelli, Mrs. W. T. Maloney, Mrs. Leslie Miller Moore, Mrs. Pfafflin, Mrs. Harry Potts, George Peterson.

Redwood City Native Sons of the Golden West, Mrs. George F. Rudy, Mrs. E. A. Rolison, F. Stevenson, Mrs. Julius Smith, Mrs. Stockholm, Mrs. D. Wik, Mrs. Whitcomb, H. L. Winter.

Mrs. Ruby H. Prior Is Granted Divorce

Mrs. Ruby H. Prior today was granted a divorce by Superior Judge Maxwell McNutt from Charles Prior, Palo Alto newspaperman, on the alleged ground of cruelty. She was also given permission to resume her maiden name, Ruby Adair.

PAYS TRAFFIC FINE

BURLINGAME, Mar. 14.—Arrested early today on a charge of reckless driving, S. D. Lockwood, San Francisco golf instructor, paid a fine of $10.

FIRE SURVEY SOUGHT HERE

Paid Firemen Increase Will Be Subject To Findings

Engineers of the board of fire underwriters will make a survey of Redwood City's fire department prevention facilities within the near future with a view to possible regrading as to insurance rates.

This survey was requested by the Redwood City Chamber of Commerce following a conference held yesterday on the projects' committee proposal that an increase in paid members of the fire department might bring a sufficient decrease in insurance rates to pay for the extra payroll cost.

It was brought out, however, that since the last underwriters' survey in 1929 there have been numerous improvements in both the department itself and its facilities. It is believed that these may warrant a regrading.

Attending the meeting yesterday were Fire Chief Mark Ryan, S. A. Abrahams, Guy R. Kennedy, L. S. Bush, chief engineer of the board of fire underwriters, and Howard I. Wood, secretary of the chamber of commerce.

At the conclusion of the survey the special chamber committee may taken up with city representatives the proposed plan of increasing the number of paid firemen.

MENLO PARK CITY COUNCIL URGES FELTON GABLES WORK

In order that people may pass over the streets "without danger of their lives" and in order to promote building activities in the Felton Gables tract in Menlo Park, the city council on Tuesday night took steps toward improvement of Encinal and Laurel avenues. Wednesday.

On motion of Councilman E. J. Crane, the council instructed Mayor W. H. Weeden to discuss with County Surveyor James S. James and the owner of the tract problems of cost and equipment in connection with the proposed improvement.

The suggestion has been made that county equipment be borrowed for the job and costs be met by owners of property facing on the streets. The belief was expressed that expenses of grading and rolling would be slight, while the improvement would benefit the entire town.

It is reported that at least half a dozen first class homes will be built in Felton Gables in the near future. Improvement of Encinal and Laurel avenues to facilitate trucking of building materials to the tract is therefore advisable, Councilman Crane said.

He also stressed the benefits of improving the streets for ordinary traffic, and observed that building construction in Felton Gables will enhance property values in the entire neighborhood.

Councilman E. H. Hart said in this connection that he would not "propose a dime from the city" on the proposed street improvement. "If the owner of the property thinks he will benefit it is up to him to fix the street," he said.

Crane expressed the opinion that the owner of the property was justified in expecting an improvement on a public thoroughfare which is now in a very bad condition.

Turning from streets to finances, the council disposed of two matters in quick time referring to the next city council which will take office after the April 19 election a request from City Treasurer J. William Ryan for $10 monthly for paying services of a deputy, and authorizing Capt. Hugo May, street commissioner, to incur bills not exceeding $10 for purchase of tools in connection with street work now in progress in the city.

Ryan's request is based on his argument that increased duties in his office require the services of a deputy. Councilman Hart observed, however, that figures submitted by Ryan show that the treasurer still receives approximately $1 an hour for his services despite the added work in his department.

The United States is the largest leather producing country in the world.

ASSAILS NRA

One of the happiest families in San Francisco's Fleishhacker Zoo, according to the superintendent, is the kangaroo household. It's a proud family, too, all because the baby is getting ready to quit its "perambulator." He's 11 months old, but so far has ridden around in his mother's pouch as shown here. (Associated Press Photo)

Times Improved, Richardson Tells Kiwanis Members

Most of California's 183 building and loan associations are "good ones," former Governor Friend W. Richardson, state building and loan commissioner, told members of the Redwood City Kiwanis Club at a noon meeting in the Hotel Sequoia

He said those "right in your own town are included in that class."

The 183 associations, he said, had investments of $360,000,000, $90,000,000 of which was in real estate and $270,000,000 in loans. He said there were 350,000 investors and 88,000 borrowers interested in the various associations.

Richardson said 26 associations holding assets of $34,000,000, were in liquidation.

Gauged by conditions which his department has found, Richardson said that "prosperity" had "turned the corner" and business was decidedly improved.

The former governor warned of the dangers of over-taxation, and said that this power was one which could destroy. He urged that the necessity of reducing governmental expenses be stressed at every opportunity, and that no more employes be added to public payrolls than was necessary.

Representatives from all parts of the peninsula were told of Redwood City's plans for the Easter sunrise service at the luncheon meeting.

The Rev. Norman Pendleton of the First Congregational Church spoke on "San Mateo County Rhythm" in getting all communities to participate jointly in projects. He pointed out that one of the first was the Emerald bowl and Easter service and mentioned that Charles G. Lambert, who is securing the choir, has secured singers from every community he has visited, with 60 voices coming from even as far away as Campbell.

The CWA orchestra also played at the meeting, of which Omar Doyle was chairman. About 125 were in attendance.

NEW RICHARDS HOME LOCATED AT 118 ELWOOD

Mr. and Mrs. Melvin Richards moved into their new home at 118 Elwood street Saturday. They have been living on Clinton street since their recent marriage. Mrs. Richards was Miss Jean von Speck.

How One Woman Lost 20 Lbs. of Fat

Lost Her Prominent Hips, Double Chin, Sluggishness

Gained Physical Vigor—A Shapely Figure

If you're fat—first remove the cause.

Take one half teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS from the Sequoia Pharmacy or any leading druggist anywhere in America (lasts four weeks). If this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—your money gladly returned.

Camino Real Center Line Under Survey

Survey Party Making Plans for Wider Thoroughfare

State engineers today were engaged in making surveys to determine the centerline of El Camino Real so that the proposed 17-foot setback asked by Redwood City property owners may immediately be established.

Col. John H. Skeggs, district engineer, today informed City Manager Ernest Rolison that the survey party will fix the centerline for the highway from the northerly city limits of Redwood City to the county boundary at Palo Alto.

In view of the survey, Skeggs advised, definite action on the establishment of the Redwood City setback should be deferred until the completion of the preparation of plans regarding the position of the setback lines.

"Before final decisions are made," Skeggs informed Rolison and Hugh R. Pomeroy, county planning advisor, "it is thought best to complete the survey, prepare maps and study the situation."

"If this is done," Skeggs said, "I feel sure that a more comprehensive and intelligent result may be secured."

The city planning commission and the city council will defer the establishment of the setback in keeping with Skeggs' request.

Interest of the state in the project indicates the possibility of early elimination of the "bottleneck" through Redwood City.

ELDERLY MAN AUTO VICTIM

Claude Conn Fatally Hurt Crossing Bayshore

SOUTH SAN FRANCISCO, Mar. 14.—Claude Conn, 66, of 701 San Bruno road, died today in the South San Francisco Hospital of injuries incurred last night when struck by an automobile.

Conn's death is the 10th in San Mateo county under automobiles since January 1.

Bert Stallings, 222 Grand avenue, steel worker, who drove the car, was not held by police.

Conn was walking across Bayshore highway and Grand avenue at the time of the accident. He suffered a fracture of the skull.

HIT-RUN AUTO CAUSES CRASH, TWO ARE HURT

Bayshore Here Scene Of Three-Car Collision

Redwood City police today were searching for the driver of a hit-run automobile that assertedly caused a three-car collision that resulted in the injury of two women at 7:30 o'clock Sunday on the Bayshore highway at the Main street intersection here.

According to witnesses of the crash, the hit-run car came from the right hand side of a truck turning into the Bayshore highway from Main street, struck the machine driven by R. W. Fry of Lomita Park and knocked it into the car of Arthur Keen of 996 Velencia street, San Francisco.

The hit-run driver is then said to have turned out the lights of his car and sped away.

The two women who were hurt were Mrs. L. Brown, 64, of 996 Valencia street, San Francisco, a passenger in Keen's automobile, who incurred fractures of the right knee cap and left wrist; and Mrs. I. A. Fry, 62, of 319 Alma street, Palo Alto, who incurred contusions and cuts on the chest. She was riding with Fry.

Mrs. Brown was taken by ambulance to Mary's Help Hospital in San Francisco after receiving first-aid treatment here. Mrs. Fry was taken to her home in Palo Alto.

Short Wave Radio Considered By City

MENLO PARK, Mar. 14.—Installation of a short wave radio receiving set in the new police automobile was being considered today by Menlo Park officials.

A demonstration of the hook-up now in use in Palo Alto was given last night by Police Chief H. A. Zink of that city to Mayor W. H. Weeden, Councilmen E. J. Crane, A. H. Anderson and E. H. Hart and Police Chief Thomas Kearney.

Gainer Ebright Jr. Passes in 6th Year

Funeral services were held on Wednesday from the chapel of the James Crowe Co. (Parmelee & Phillips) for William Gainer Ebright Jr., 6, who succumbed last evening in the Palo Alto Hospital after a lingering illness.

The child, a son of Mr. and Mrs. William Gainer Ebright of 223 Oakdale street, was a native of San Mateo.

Inurnment at Alta Mesa Memorial Park followed the services, at which the Rev. Edwin Castledine of St. Peter's Episcopal Church officiated.

14TH BIRTHDAY PARTY IS HELD

MISS JERNICE GRANGER was hostess at a party to celebrate her 14th birthday anniversary at the home of her parents, Mr. and Mrs. Floyd Granger, on Brewster avenue Saturday night.

Spring blossoms were used to decorate the home. Games were played and winners were Jerry Smith and Henry Nelson.

A buffet supper and dancing followed.

Guests attending the party were the Misses Jean Smith, Malvina Abbott, Sylveen Vreeburg, Adrian Squires and Mildred Irwin, all of Redwood City; and Miss Hazelle Seaberg of San Carlos, and Messrs. Jerry Smith, Jim Seufert, Henry Nelson, Charles Meyer, Harold Smith, Cryil Abbott and Bud Bourquin.

150 Reservations For Aid Luncheon

More than 150 reservations have been made for the St. Patrick's luncheon which is being given by the General Aid Society of the First Methodist Church Wednesday at 1 p. m. in the church hall.

The luncheon, a non-hostess affair, will cost 35 cents per plate.

Following the luncheon at 2:30 there will be a concert by the county CWA orchestra in the church hall. The program, similar to that given Friday at Sequoia Union High School, is open to the general public without charge.

Guardian Is Asked To Secure Estate

In order that her daughter may receive a $700 legacy, Mrs. Madeline Daniels of San Mateo today requested the superior court to appoint her as guardian of the estate of Madeline Elizabeth Daniels, 13.

The legacy has been left to the girl by William P. Rasin of Maryland. Attorneys for the petitioner are Kirkbride, Wilson and Brooks of San Mateo.

There are 56 licensed gliders and 585 unlicensed gliders in the United States. Licensed glider pilots number 149.

Divorce Suit Filed By Brisbane Woman

Claude L. Standart of Brisbane today was sued for divorce by Mrs. Lurla Standart in the superior court here on the asserted ground of cruelty.

Custody of their infant son, Laurance, and $20 a week for support are also asked in the complaint. Attorney for the plaintiff is Albert L. Poe of San Leandro.

The Northern California Rugby Union has initiated a movement seeking the restoration of rugby football to the Olympic Games calendar.

DINNER PARTY AT BROWN HOME

The Misses Margaret and Ann Brown were hostess at a dinner party Saturday evening at their home at 218 Jackson street.

Decorations were carried out in the St. Patrick's motif. Bridge and dancing were the evening's diversions.

Included were Mr. and Mrs. Brown, the Misses Mildred Gross, Ann Brown, Mildred Bottemiller and Margaret Brown, and Messrs. Clifford Pinkham, Elwyn Ohlson, James Cirner, Howard Lowther of Los Angeles and Walter Bacom of San Jose.

Election Decision By Young Awaited

LOS ANGELES, Mar. 13 (UP)—Uncertainty concerning the possible candidacy of County Supervisor John R. Quinn, Republican, for governor remained today when he announced he would withdraw from the field if former Governor C. C. Young enters the race.

The announcement was made after Quinn conferred with Young and learned that Young had not yet decided whether he would become a candidate.

A seaplane hangar will be added to the new coast guard base to be established at Galveston, Texas.

Mrs. Annie Griffiths Eligible for P.O. Job

Mrs. Annie Griffith of Half Moon Bay had been listed today by the postoffice department as eligible for appointment as postmistress of that coastside town. The announcement was made by the office of Postmaster General James A. Farley in Washington.

The upside-down endurance flying record is held by Milo Burcham of Long Beach, Calif. He maintained his reversed position for 4 hours, 5 minutes and 22 seconds.

Relief Office Head Accuses R.C. Laborer

Ivan Crow, 41, local laborer, today faces a charge of battery preferred by Elmer W. Rowland, head of the local relief work agency office, who alleges that Crow struck him.

Crow was arrested on Rowland's complaint yesterday afternoon by Constable F. B. Grill and will be brought before Justice Edward I. McAuliffe.

A pilot must have at least 200 hours at the controls in the air to obtain a transport license.

TEST PROVES ACOUSTICS GOOD FOR EASTER SUNRISE SERVICE

Acoustics of the Emerald bowl, scene of the annual Easter sunrise service near Emerald peak where a male chorus of 500 voices will be heard the morning of April 1, was described as "perfect" today by Otis M. Carrington, head of the Sequoia Union High School music department, after hearing 60 Sequoia choral students perform in an experimental program there this morning.

Mr. Carrington took two busloads of students from one of his choral classes to the bowl this morning and listened to their singing from all points in the large natural amphitheater. He said the tones were clearly audible from the rim of the bowl and the voices carried better there than at closer ranges.

Boys of the chorus will join the group of men being assembled from service clubs of the peninsula under the direction of Charles G. Lambert to sing at the annual Easter service.

Boy Scouts Advance In North Fair Oaks

Purchase of a full set of colors and troop flags from proceeds of a recent benefit dance given by its sponsoring organization, the North Fair Oaks Improvement Club, was announced at last night's meeting of Boy Scout troop 162 of North Fair Oaks in the Garfield school.

The troop is showing rapid progress, with 34 scouts registered and 29 present last night through the efforts of Scoutmaster Sterling Reynolds.

McDonald Baby Fails to Bring Couple Together

With the only word of the birth of a daughter to the wife of young John McDonald III, 20, heir to a million dollar Standard Oil fortune, coming to her from the newspapers, Mrs. Beulah Martin of Burlingame, mother of McDonald, said today that she had not yet seen the child.

The baby, born to Mrs. Alecia McDonald, former Berkeley girl, arrived at Mt. Zion Hospital in San Francisco Saturday night.

Mrs. Martin referred inquiries concerning the heiress to Miss Hester Webb, San Francisco woman attorney and daughter of Attorney General U. S. Webb, who is handling the annulment proceedings brought by young McDonald in the superior court here.

Reports of a possible reconciliation between the young couple, circulated with the announcement of the arrival of the heiress, are without foundation as far as Miss Webb has been informed. She said that she has not been notified of any change in the plans of young McDonald to press his suit for an annulment.

Young McDonald is heir to about a $1,000,000 fortune and not the $25,000,000 reported by some of the newspapers, Miss Webb said. He will get the fortune 10 years hence when he is 30.

Newsstand Operator Jailed for Assault

SAN MATEO, Mar. 13.—Lester Nachtweih, 39, newsstand proprietor, is being held in jail on a charge of assault preferrred by Mr. and Mrs. C. A. Eldridge, who contend he hit Eldridge with a wine bottle and later struck Mrs. Eldridge with a flower pot when she returned with her husband last night to their home at 920 South Fremont street, where Nachtweih also resides.

Succinct 'Yes' Wins Thelma Decree

The testimony of Thelma Todd, blonde film beauty, was limited to the word "yes" in answer to the questions of her attorney when she brought suit for divorce against Pasquale J. De Cicco. But this was enough for a Los Angeles judge, and he granted her a decree.

SEEKS TRAFFIC BERTH

Woodside Road Sum Is Assured By Supervisors

With the civil works administration voting $32,000 toward the project, the San Mateo County Board of Supervisors today had taken final steps to assure the payment of $2,150 of county funds toward the Woodside road widening job.

Just a week ago the board voted the funds but ordered the sum held up until $2,000 was paid toward Brisbane street improvements.

Supervisor Albert Witt, Colma, pointing out that there was a fund of $45,000 to the credit of the La Honda road which had not been expended, moved that the $2,150 fund come from that source toward the Woodside road job.

Supervisor John Poole, Redwood City, seconded the motion, and it was carried.

This money, plus a similar sum to be paid by Redwood City, assures immediate start of the long-deferred Woodside road widening. The work will consist of filling in the ditch on the easterly side of the road.

Supervisor Witt emphasized to the board that in urging the expenditure of the $2,000 on Brisbane streets he held no desire to "block" the Woodside road project, which he said he also supported. The Brisbane project, however, had been previously approved, he pointed out.

Delay in Ordering Auto Insignias Hit

Objecting to another week's delay, R. P. Schwerin, chairman of the citizens Bayshore highway safety committee, today had urged the San Mateo County Supervisors to accept or reject his plea that all county automobiles and trucks be labeled by proper insignia.

The board, because of the absence of Chairman C. V. Thompson, voted a week's continuance despite Schwerin's plea.

$700 Voted Toward Bridge at Palomar

Expenditure of $700 on making repairs to the Palomar drive bridge, damaged by recent rainstorms, was recommended to the board of supervisors by Engineer James S. James, and had been approved today. The fund, asked by petition and by the personal appearance of C. M. Doxsee, was voted upon motion of Supervisor Rosalie Brown, of that district.

Progressive League Hears Candidates

Stating their purposes and aims in public affairs, three of the candidates for the Redwood City council were among speakers before the Progressive League at the last meeting.

The speakers were W. H. Hendricks, civil engineer, who made the first talk of his campaign, and E. A. Fletcher and Louis Christensen, of the "new deal" ticket.

The personnel of the league is made up largely of CWA employes. Following the talks, the three candidates joined the league.
